

## Release Notes 2.0.3

January 11th, 2003

The following items have been moved (migrated) to Production for use by Agencies beginning on January 11, 2003.

- A fix was applied to the TSP Flat Rate deduction amount. The system was not allowing users to key the total TSP contribution amount for employees with multiple components of pay (such as PCA). The employees can now key the entire deduction amount in the flat rate deduction amount field. Please see Help Poc Ticket #4172 for more information.
- A fix was applied to the edits for TSP catch-up enrollments. Users can key enrollments for employees who are:
  - Currently 50 years old
  - Will turn 50 years old during the current calendar year
  - Will turn 50 during the next calendar year, when the effective date is the first pay period of the calendar year or greater.
- The 2004 Salary tables were loaded.
